Memorandum of Understanding

This MOU is being signed between **RICECITY**, having its registered office at, **RICECITY, Near Zilla Parishad School, Fulchur, Gondia, Maharashtra-441601 (FIRST-PARTY)** and, **Vivekananda Institute of Technology** an educational institution situated at its registered office at **Bangalore-Mysore Road, Kumbalagodu, Kengeri, Bangalore-560074 (SECOND PARTY)**, with a mutual desire to cooperate on bringing Industry-Institute interface by providing activities which are in line with the strengths and aspirations of both the organizations. The expressions "**RICECITY**" and "**Vivekananda Institute of Technology**" shall, wherever the context admits, mean and include their respective successors in interest and permitted assigns. This MOU was executed at the Institution on 10/01/2023.

WHEREAS

- **RICECITY** is a cutting-edge software company dedicated to delivering innovative solutions that empower businesses to thrive in the digital age.
- The institution is a new-generation engineering college, providing world-class infrastructure, top-flight faculty, a well-stocked library, a high pass percentage, an excellent placement record, and unique student projects.
- Institution and **RICECITY** are willing to participate in an arrangement with the Institution to provide an industry Interface to all the students of the Institution as the preferred partner.
- By this MOU **RICECITY** and Institution come together mutually for mutually beneficial cooperation on industry Interface.

NOW THEREFORE THIS MOU WITNESSETH IS AS FOLLOWS:

1. Objectives:

- 1.1. The objective of this MOU is to combine and synergize the expertise of **RICECITY** and the Institution.
- 1.2. Both parties shall commit the necessary resources in pursuance of the objectives and formulate the necessary action plan to fulfill the objectives.
- 1.3. Both parties undertake to work with each other seamlessly and transparently in the spirit of mutuality and partnership.
- 1.4. Each Program undertaken by the parties shall be initiated by signing a separate agreement between the Parties, which will describe in detail the scope of such Research Programme.

5. Validity of this MOU

This MOU shall be valid for a period of 3 years initially from the date of signing, after which it can be renewed by mutual agreement between the parties. Either party during its currency can also terminate this MOU by giving a notice of one month on the other. On termination, each party shall return to the other party all such documents and reference material as may have been borrowed for the purpose of fulfilling the work under this MOU. This MOU shall also stand terminated if a court of competent jurisdiction declares either of the parties as insolvent. Any termination as per this clause shall not affect the antecedent liabilities of the parties prior to the termination including the completion of all assignments that have been agreed prior to such termination.

6. Confidentiality:

In the course of fulfilling the mutual responsibilities under this MOU, there will be a sharing of information of a confidential nature. Both parties hereby agree to maintain such information related to methods, trade secrets, products, services, processes, techniques, and other proprietary information in strict confidence and not divulge these to any third party without the express consent of the other party except as may be necessary in the course of fulfilling mutual responsibilities in this MOU. This clause of confidentiality shall extend to the parties' employees and associate / Subsidiary Companies/concerns.

The parties each agree to refrain from distributing, disclosing or disseminating the Confidential Information of the other party and its affiliated entities which is disclosed to it and its affiliated entities in any manner to any person or entity except to the Recipient's employees, consultants and agents who have a need to know and who are obligated in a manner consistent with this MOU to maintain the confidentiality of such information. Each party's obligation to maintain the confidentiality of the Confide other party's Confidential Information shall expire 1 year after the date of disclosure or 6 months after expiry or termination of this MOU, ver is earlier. All data and other documents, any copies thereof, or things or samples which embody the Confidential Information of a party shall remain the property of that party and will be promptly destroyed, upon that party's request.

The parties each agree that the Recipient of Confidential Information shall not remove any copyright, confidential, proprietary rights or intellectual property notices attached to or included in any Confidential Information furnished by the other. The Recipient shall reproduce all such notices on any copies.

The restrictions and confidentiality obligations set forth in this MOU shall not apply to the Discloser's Confidential Information which:

Is disclosed upon the advance written authorization of the Discloser;

Principal
06/01/2024
VIVEKANANDA INSTITUTE OF TECHNOLOGY
Bangalore - 560 074

- a. is lawfully disclosed to the Recipient by a third party without any confidentiality obligation; or
- b. Is clearly demonstrable that same was lawfully known or independently developed by the Recipient prior to such disclosure.

Neither party shall use the Confidential Information of the other for any purpose other than to carry out the purpose of this MOU. The Receiving Party shall construe nothing contained in this MOU as granting to a party a license, either express or implied, under any patent or copyright owned or obtained, or which is or may be licensable. Neither party shall make any press release or other public references or utterances of any kind regarding this MOU, the information received as part of this MOU or the contents of this agreement without prior written consent of the other party. Each part Upon written request from the other party, each party shall return or destroy all data and other documents, including any copies or summaries thereof, or other tangible forms that confidential information of the requesting party.

11. Detailed agreement:

The parties will enter into a detailed agreement for each module materialised under this MOU. The detailed agreement shall outline roles and responsibilities, liabilities to customers and define primary and secondary responsibilities for each assignment to be executed. The detailed agreement shall not override the MOU, but define a commercial and contractual framework for work execution.

12. Resolution of Disputes:

- 12.1. If any dispute arises in connection with this agreement, the responsible representatives of the Parties shall attempt, in fair dealing and in good faith, to settle such dispute. Each Party can request from the other Parties that on all sides a senior representative becomes involved in the negotiations. If the Parties are not able to reach an amicable settlement, each Party may initiate an arbitration proceeding.
- 12.2. Any dispute or difference or claim arising out of or in relation to this transaction including construction, validity performance or breach thereof shall, shall be referred to and finally resolved by arbitrator under Arbitration and Conciliation Act of 1996 and any subsequent amendments thereof for time being in force. The number of Arbitrator shall be one. If the Parties cannot mutually agree on arbitrator within 4 weeks, then Institution and RICECITY shall appoint a sole arbitrator. The seat of arbitration shall be Bangalore. The language to be used in the arbitration proceedings shall be English.

13. Commitments:

Institution / RICECITY shall make commitments or bind Institution / RICECITY in any manner with any customer only with prior written consent from Institution / RICECITY. This MOU does not create a joint venture, agency, partnership or other business arrangement, and any agreement between the parties as to business activities will be set forth in subsequent written agreements.

Therefore, this MOU cannot be used as a right to represent either party on behalf of the other, in any business promotion or canvassing activities, unless so authorized in writing

Principal
VIVEKANANDA INSTITUTE OF TECHNOLOGY
Bangalore - 560 074

14. Force Majeure:

Neither RICECITY nor Institution shall be liable for non-performance of any or all their obligations under this MOU due to reasons of "Force Majeure" and/or reasons beyond their reasonable control. If the performance as specified in this proposal is prevented, restricted, delayed or interfered with by reason of:

- Fire, explosion, cyclone, floods;
- War, revolution acts or public enemies, locate or embargo;
- Any law, order, proclamation, ordinance, demand or requirements of Any Government or authority or representative of any such Government including restrictive trade practices or regulations;
- Strikes, shutdowns or labour disputes which are not instigated to avoid obligations herein or any other circumstances beyond control.

The same shall not constitute a breach of the agreement and the time for performance for such provision, if any, shall be deemed to be extended for a period equal to the duration of the condition preventing performance. In Case the Force - Majeure conditions prevail and/or are likely to prevail for a period beyond one month both the parties will decide the project progress & future actions mutually.

15. Governing Law:

This MOU shall be governed by the laws of the Republic of India

16. Integration:

This MOU contains the entire understanding between the parties and supersedes any prior written or oral agreements between them.

17. Waiver

No failure or delay on the part of either party in the exercise of any right or privilege hereunder shall operate as a waiver thereof or of the exercise of any other right or privilege hereunder, nor shall any single or partial exercise of any such right or privilege preclude other or further exercise thereof of any other right or privilege.

18. Severability

If any provision of the MOU is held to be ineffective, unenforceable or illegal for any reason, such decision shall not affect the validity or enforceability of any or all the remaining portions thereof.

19. Non-solicitation

During the terms of this MOU and for one year after its expiry or termination, neither party shall, without the prior written consent of the other party, canvass or solicit for direct or indirect employment of any employee (involved with work of this MOU) of each other or proceed with any application by or on behalf of that employee for direct or indirect employment. Neither party shall procure any third party to do any of the aforesaid acts.

Technofly

Memorandum of Understanding
Between
Vivekananda Institute of Technology
And
Technofly Solutions

This Memorandum of Understanding (MoU) is made and entered into on 16th of August 2021 between Vivekananda Institute of Technology, located at Bangalore and Technofly Solutions located at Bangalore to facilitate internships for students.

Herein after, the institution is referred as First party.

Where as Vivekananda Institute of Technology, setup with a mission of imparting education to all sections of society, was established in the year 1997 to render highest standards of academic achievement with moral and social commitments. Converting the idea of providing high quality education combined with excellent infrastructure into a reality in Indian context. Vivekananda Institute of Technology have proved the capability of placing students after completing their course in prestigious organization across the country and abroad.

The coveted portals of VKIT have given this great nation, the quality engineers, entrepreneurs, scientists, sports men and Business magnates. The college has been providing unique facilities to enrich the engineering students with entrepreneurship, leadership, technical and management skills, talent and knowledge. Herein after, the institution is referred as First party.

The college offers UG Courses in Civil Engineering, Mechanical Engineering, Electronics and communication Engineering, Computer Science Engineering, Information science Engineering and PG course-MBA.

MEMORANDUM OF UNDERSTANDING

Between

Vivekananda Institute of Technology, Bengaluru

And

itle Knowledge Solutions Bangalore

The Memorandum of Understanding (MOU) between Vivekananda Institute of Technology, Bengaluru and itle Knowledge Solutions, Bangalore may strengthen the scientific exchange and cooperation to be of mutual value. This would help the students to update the latest in their respective fields of interest. The main objective is to promote academic and technical knowledge, projects, internships, placement's and educational exchange between these two organizations through following activities:-

1. Cooperative Research

- Co-operative research is to be encouraged as individual scholars or departments establish contact and develop mutual interests.
- Organizations of and participation in conferences, symposia, courses, workshops, exhibitions and other joint meetings of mutual interest.
- Operation of joint training/education programs to raise competency in specialized engineering applications like Digital Signal Processing, Digital Image Processing, Biomedical Engineering, Modeling & Simulation, Control System Engineering, and allied areas.
- Encourage students to work on Industry oriented projects and Internships.
- Both the organizations on mutual understanding shall do collaborative research projects.
