MEMORANDUM OF UNDERSTANDING

Between

Vivekananda Institute of Technology, Bengaluru

And

Itie Knowledge Solutions Bangalore

The Memorandum of Understanding (MOU) between Vivekananda Institute of Technology, Bengaluru and Itie Knowledge Solutions, Bangalore may strengthen the scientific exchange and cooperation to be of mutual value. This would help the students to update the latest in their respective fields of interest. The main objective is to promote academic and technical knowledge, projects, internships, placement's and educational exchange between these two organizations through following activities:-

1. Cooperative Research

- a. Co-operative research is to be encouraged as individual scholars or departments establish contact and develop mutual interests.
- b. Organizations of and participation in conferences, symposia, courses, workshops, exhibitions and other joint meetings of mutual interest.
- c. Operation of joint training/education programs to raise competency in specialized engineering applications like Digital Signal Processing, Digital Image Processing, Biomedical Engineering, Modeling & Simulation, Control System Engineering, and allied areas.
- d. Encourage students to work on industry oriented projects and internships.
- e. Both the organizations on mutual understanding shall do collaborative research projects.

2. Exchange of Academic/ Technical staff

The two organizations may nominate their academic/technical staff to participate in an exchange for the purpose of study or lecturing in the other organization on a reciprocal basis.

3. Visiting Research Fellows

Either organization may nominate one or more of its faculty/technical members to visit the other organization for the purpose of advanced study or research, subject to the approval of the host organization.

4. Student visit

College may send students, either undergraduate or graduate to itie Knowledge Solutions in appropriate fields of study or for the purpose of advanced research and non-degree basis.

5. Terms of co-operation

- a. The terms of cooperation for each specific activity implemented under this MOU shall be mutually discussed and agreed upon in writing by both organizations prior to the initiation of that activity.
- b. Any such agreement entered into, as outlined above, shall form an Appendix to this MOU.
