STUDENT AID SCHOLARSHIP

Janatha Education Society (JES), the parent body of our institution, is a registered society, started in the year 1972, through the initiatives of a few educationists & philanthropists, with motto of providing education at affordable cost. It is presently managing 15 institutions at 4 different campuses. All the institutions are named after the great philosopher & the youth icon, Swami Vivekananda, in order to inspire the youngsters to emulate his noble principles, which are cherished all over the world.

It has been the experience of JES that during the admission process of various institution managed by it, that some of the applicants seeking admission belong to the poorest of the poor. Some of the applicants are also from nearby rural areas and have to commute everyday to pursue their education. It was evident that the parents experienced great difficulties to admit their wards to the college. It was also doubtful as to whether they could financially sustain completion of study of the 4 years BE Engineering. This plight of the parents set some of the members of JES with a philanthropic bent of mind. To contemplate about the measures that could be adopted by the institution to reduce the burden of such parents by lending financial support to at least a few of the students with merit. This was conceptualized a novel scheme called the STUDENT AID FUND SCHOLARSHIP provided by JES to deserving meritorious students. Through this scheme, JES is fulfilling the cause of social justice.

JES has completed 50 years of glorious service in providing education on a non-profitable basis. This apart, the education society has also successfully carried out the motto of the institution conceptualized through its Student Aid Fund Scholarship to extend financial support to those sections of the people who suffer from socio-economic inequalities. This translates into empowerment of marginalized communities to effectively participate in various activities.

The institution through the scheme of Student Aid Scholarship seeks to achieve a number of objectives, prime among them are:

- The Constitutional goal of equality.
- To serve the cause of education.
- To provide financial aid to economically backward students irrespective of caste, creed or gender.
- To provide financial security for posigned by: K M Ravikumar

PDF SIGNER DEMO VERSION

. To foster community development.

This venture of JES has attained success due to the stringent financial planning of educationists & philanthropists in the Education Society. The generous donations of money by the philanthropists to the corpus fund has facilitated the institutions ability to operate in a manner conducive to promote social welfare, especially to protect the interests of the economically weaker sections, irrespective of caste, creed, gender or any other artificial discrimination.

POLICY FOR STUDENT AID SCHOLARSHIP

- 1. The corpus fund for granting student aid scholarships was constituted through voluntary magnanimous donations made by the founding members of JES.
- 2. The donations are deposited in the bank
- 3. The donation amount is utilised for granting scholarships to some of the economically backward meritorious students of the 15 educational institutions managed by JES
- 4. The JES dispenses the Student Aid Fund Scholarship through a body constituted by it. Viz., the Student Aid Committee.
- 5. The Student Aid Committee notifies each of the 15 institutions to call for applications from students for grant of Student Aid Scholarship, every academic year.
- 6. The Committee then holds a meeting with all the heads of institutions to determine the number of applications received.
- 7. Based on the strength of each institution, the Committee decides through a resolution, the number of beneficiaries from each institution for conferment of Student Aid Scholarships.
- 8. Each of the institutions thereafter identify & shortlist deserving students by taking into consideration their merit & level of economic backwardness & recommend the same to the Student Aid Committee for due approval & sanction.
- 9. The Student Aid Committee on a designated date holds an interview with the eligible students & their parents to determine the veracity of the matter & finalises the list of students for grant of scholarship in a uniform & fair manner.

The Student Aid Fund Scholarship Scheme of JES is both INNOVATIVE & UNIQUE in the sense that it is not only available to students with merit & economic backwardness but also for those who do not enjoy the benefit of government endowed scholarship schemes based on caste or gender. Thus, the Student Aid Fund Scholarship awarded is NOT A MERE FINANCIAL ASSISTANCE BUT A TESTMONIAL OF MERIT CUM ACADEMIC ACHIEVEMENT.
