

Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic diversity and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens. Write description in a maximum of 500 words

The Institution provides an inclusive environment for everyone with tolerance and harmony towards cultural, regional, linguistic, communal socio-economic and other diversities. The college hosts a variety of sports and cultural events that promotes unity amongst students. Special days such as Gandhi Jayanthi, Republic Day, Independence Day, Yoga Day and Teacher's Day are observed and celebrated. Positive interactions between individuals from various racial and cultural origins are established as a result. The institute has various grievance redressal cells, such as the Women's and Student's grievance redressal cells, that handle complaints without taking into account the race or cultural background of the parties involved. Each member of the institution's staff, professors, and students are required to abide by different codes of ethics, regardless of their cultural, linguistic, communal, socio-economic, or other differences.

Our college is implementing a number of initiatives, such as the Days of Eminent Personalities, National Festivals to create an inclusive atmosphere by uniting teachers and students from all backgrounds on one platform for establishing a welcoming atmosphere. These roles support the growth of harmony and tolerance towards differences in language, culture, geography and society as well as in social and economic conditions within communities. The subject Constitution of India and professional ethics is made mandatory to all U.G students across disciplines. Every year, there is a convocation ceremony where the convocation address is given to the students in order to encourage and inspire them for their future endeavours.

Five activities conducted in the Institute for inculcating in providing an inclusive environment, i.e., tolerance and harmony towards cultural, regional, linguistic, communal socio economic and other diversities :
